

Assistant Director South Report
Tuesday, July 21, 2009

Reschedules

1. **Free Reschedule** - The free reschedule period has been updated to July 23rd to August 8th, due to a number of late team drops. Final game schedules will be posted on August 9th. All reschedules after August 8th will be charged a fee to reschedule a game. A credit card will be needed to pay for the reschedule. The fee is \$50.00 plus service fee.
2. **Reschedule process**
 - a. Instructions are on front page as your sign in with your username and password
 - b. All reschedule requests must be started at least seven (7) days prior to the original scheduled game date to be valid. (Saturday game on Friday before and Sunday game on Saturday before).
 - c. All reschedule requests must be completed by Wednesday before the original game date, and referees must be notified.
 - d. Any reschedules done between club/team to club/team without using the system or without Assistant Directors approval is subject to a fine double the rescheduling fee for both clubs/teams. i.e. to get around red card/one game suspension, or coaching conflict making a buddy deal
3. **Non-response to reschedule request** - If a league/team does not respond to another league's/team's reschedule request, either accepting or declining the request, within four (4) days of the request, your league/team may be made to play the game as stated in the request by the other league. Final decision to non-response is made by the Assistant Director for your age bracket.
4. **Leagues that have a policy to decline all reschedule requests** - Leagues that have a policy to decline all rescheduling requests may want to rethink this policy. Although it is their choice, it may come back on them when they need a reschedule. If a pattern is found of denying all reschedule requests from other leagues/teams and when that league/team has problems rescheduling with another league/team, then the Assistant Director in that age group will deny your request based upon past pattern/policy.
5. **Mandatory Reschedule Reason** - Presidio Soccer League has approved the following Mandatory Reschedule Reasons:
 - a. SAT Test Dates Oct 10th and Nov 7th
 - b. PSAT Test Dates Sep 12th and Oct 24th
 - c. ACT Test Dates Oct 17th
 - d. Lost or Field Closure - proof will be required

All other reasons must be done through the reschedule system as stated.

Sincerely,

Jack Dobransky

Assistant Director South Presidio Soccer League
