

Presidio Spring League 2010

1. To add players to the game roster log into Presidio with your log in and then go to your Spring Application and click on Edit. Then when you are at the Team Page click on the Player Roster Page and then Click on “Add New Player”.
2. To set your Roster each week you must go to the Player Roster Page and then put a check in each box for each player that is Active for the Game and then Click on the “Set Active Player Button” to save.
3. To print your Game Card it is the same procedure as during the regular season. On your Game Roster Under the Rules for Referee’s be sure to cross out the line 3A which states that all players and coaches must have the same team number on their cards. (We are trying to get this removed).
4. Scores can be reported in the same manner as during the season but they will not be visible to the public.
5. All Yellow and Red Cards must be Reported in the same manner as during the season.
6. Information on Referee Fees is on the website under the Rules. Each team is responsible for $\frac{1}{2}$ of the Referee Fee in cash for each game home and away.
7. Make sure that your league is aware of your Home Games for Referee coverage is the responsibility of the Home League.
8. Be sure to confirm each game every week with your opponent.
