Select Player Roster Tab and scroll down and click on Edit Player Team Info

The screenshot shows the 'Player Roster' page. At the top, there is a navigation menu with tabs: Team Info, Contacts, Team Results, **Player Roster**, Disciplinary, Comments, and Review. Below the menu, there is a 'Player Roster' section with instructions and a 'TOUR_APPL_PLAYER_LIST2 - Content will be posted here' message. A 'PLAYER ROSTER STATS' table shows 17 registered players. Below this is a table of 17 players with columns for Home Jrs#, Away Jrs#, Name, ID#, DOB, Gender, Player Status, Transfer Date, ODP Level, Grad Yr, Position, Active?, Player Info, Presidio Premier ClubPass, and SMS. At the bottom, there are buttons for 'Sync Roster', 'Print Page', 'Set Active Players', and 'Edit Player Team Info'. Red arrows point from the text above to the 'Player Roster' tab and the 'Edit Player Team Info' button.

Now add Player Jersey Numbers for BOTH Home and AWAY!

Once all numbers are entered click on SAVE CHANGES

The screenshot shows the 'Edit Player Team Info' page. It features a table with columns: Home Jrs#, Away Jrs#, Position, Grad Year, Player ID, Player, and DOB. The 'Home Jrs#' and 'Away Jrs#' columns are highlighted with red arrows. Below the table, it says '17 players'. At the bottom, there are buttons for '<<< Back' and 'Save Changes'. Red arrows point from the text above to the 'Home Jrs#' and 'Away Jrs#' columns and the 'Save Changes' button.
